RE: State Licensure Survey

Dear Dr. Baker:

Thank you and your staff for the assistance and cooperation extended to me during the State Licensure Survey conducted on January 04, 2013. The purpose of conducting the survey was to evaluate the facility's compliance with the North Carolina Rules for Licensing Abortion Clinics.

As discussed in the exit conference, there were no deficiencies cited as a result of the survey. I am recommending Licensure **effective January 04, 2013**. The new license is enclosed. Please note that the license will expire **annually** and should be posted in a public place.

Should you have questions concerning the investigation, please do not hesitate to call me at (919) 855-4620.

Sincerely,

Kathy Boyd-Neely, RN
