RE: State Licensure Survey

Dear Ms. Chalmers:

Thank you and your staff for the assistance and cooperation extended to me during the State Licensure Survey conducted July 2, 2018. The purpose of conducting the survey was to evaluate the clinic's compliance with the North Carolina Rules Governing the Licensing of Abortion Clinics. As discussed in the exit conference, there were no deficiencies cited as a result of the survey and the State Agency recommends licensure effective July 2, 2018

Should you have questions concerning the investigation, please do not hesitate to call me at (919) 855-4620.

Sincerely,

*Starlene Jones*
