Dear Mr. Smith:

The Randolph County Board of Commissioners voted unanimously at their October 4, 2010 meeting to support a request by Bio-Medical Applications of NC, Inc., for ten additional dialysis stations in Randolph County. The Board hopes you can approve this request as the ten additional stations will better serve our citizens in need of this procedure.

Thank you for your consideration.

Sincerely,

J. Harold Holmes  
Chairman,  
Randolph County Board of Commissioners
