PUBLIC NOTICE

BMA to develop dialysis facility in Louisburg

RALEIGH – Bio-Medical Applications of North Carolina, Inc. d/b/a FMC Tar River has filed an application with the Certificate of Need Section of the N.C. Division of Health Service Regulation to develop a 10-station dialysis facility in Louisburg in Franklin County by transferring seven stations from BMA Zebulon and three stations from FMC Eastern Wake.

A public hearing for this project will be held at 1 p.m. on May 17 in the Conference Room at the Franklin County Public Library, Youngsville Branch, 218 U.S. Highway 1-A South in Youngsville.

The project is expected to cost \$1.5 million and to be complete in December 2014.

Anyone may file written comments concerning this proposal. Comments must be received by the Certificate of Need Section no later than May 1, 2013 at the following address:

Certificate of Need Section
Division of Health Service Regulation
2704 Mail Service Center
Raleigh NC 27699-2704
