RE: No Review /Crown Colony Long Term Care Facility / Establish 16-bed Special Care Unit Within  
60-bed Complement (44 assisted living & 16 special care) / Iredell County  
FID #: 970852

Dear Mr. Taylor:

The Certificate of Need (CON) Section received your letter of June 26, 2012 regarding the above referenced proposal. Based on the CON law **in effect on the date of this response to your request**, the proposal described in your correspondence is not governed by, and therefore, does not currently require a certificate of need. However, please note that if the CON law is subsequently amended such that the above referenced proposal would require a certificate of need, this determination does not authorize you to proceed to develop the above referenced proposal when the new law becomes effective.

It should be noted that this determination is binding only for the facts represented by you. Consequently, if changes are made in the project or in the facts provided in your correspondence referenced above, a new determination as to whether a certificate of need is required would need to be made by the Certificate of Need Section. Changes in a project include, but are not limited to: (1) increases in the capital cost; (2) acquisition of medical equipment not included in the original cost estimate; (3) modifications in the design of the project; (4) change in location; and (5) any increase in the number of square feet to be constructed.

In addition, you should contact the Construction Section, DHSR, to determine if they have any requirements for development of the proposed project. Please contact the CON Section if you have any questions. Also, in all future correspondence you should reference the Facility I.D.# (FID) if the facility is licensed.

Sincerely,

Gloria C. Hale

Dear Gloria,

Thank you for your help today in steering me in the right direction on my plans to add a special care unit to my assisted living facility in Mooresville, NC. As we discussed I'm not adding any more beds then I'm currently licensed for, only replacing beds.

Could you please send me the letter we discussed that I will need to give the construction section stating that I have your approval?

Thanking you in advance,

Tom Taylor
