Dear Mr. Swann:

The Certificate of Need Section (CON Section) received your letter of January 7th, 2013 regarding the above referenced proposal. Based on the CON law **in effect on the date of this response to your request**, the proposal described in your correspondence is not governed by, and therefore, does not currently require a certificate of need. However, please note that if the CON law is subsequently amended such that the above referenced proposal would require a certificate of need, this determination does not authorize you to proceed to develop the above referenced proposal when the new law becomes effective.

Moreover, you need to contact the Acute and Home Care Licensure and Sections of the Division of Health Service Regulation to determine if they have any requirements for development of the proposed project.

Re: Request for No Review Determination / Add In-Center Self-Care Dialysis at
FMC South Ramsey Dialysis / Cumberland County
FID: 070203

Dear Mr. Smith:

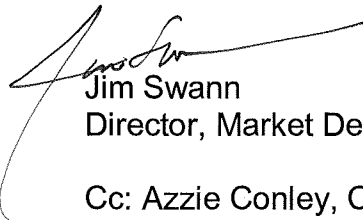

BMA requests a no review determination by the Certificate of Need Section, allowing BMA to add In-Center Self Care Dialysis training and support at the FMC South Ramsey Dialysis Center in Fayetteville.

At this time BMA is experiencing a request by some dialysis patients to perform self-care treatment at the South Ramsey location. As you will know, Self-Care dialysis allows the patient to perform virtually all aspects of the dialysis treatment. This type of treatment is an option for many patients who may otherwise perform home hemodialysis but lack a qualified partner/family member to participate. The staff of the dialysis facility are able to function in the capacity of the treatment partner.

BMA respectfully requests a No Review Determination from the CON Section.

If you have any questions please contact me at 919-896-7230, or email jim.swann@fmc-na.com.

Sincerely,

Jim Swann
