Dear Ms. Cosby:

The Healthcare Planning and Certificate of Need Section, Division of Health Service Regulation (Agency) received your letter of August 1, 2016 regarding the above referenced proposal. Based on the CON law **in effect on the date of this response to your request**, the proposal described in your correspondence is not governed by, and therefore, does not currently require a certificate of need. However, please note that if the CON law is subsequently amended such that the above referenced proposal would require a certificate of need, this determination does not authorize you to proceed to develop the above referenced proposal when the new law becomes effective.

However, you need to contact the Agency's Adult Care Licensure Section to determine if they have any requirements for development of the proposed project.

It should be noted that this determination is binding only for the facts represented in your correspondence. Consequently, if changes are made in the project or in the facts provided in your correspondence referenced above, a new determination as to whether a certificate of need is required would need to be made by this office. Changes in a project include, but are not limited to: (1) increases in the capital cost; (2) acquisition of medical equipment not included in the original cost estimate; (3) modifications in the design of the project; (4) change in location; and (5) any increase in the number of square feet to be constructed.

**Re: Westwood Health and Rehabilitation Center – Randolph County
Exemption from Review**

Dear Ms. Frisone:

I am writing on behalf of Westwood HealthCare, LLC d/b/a Westwood Health and Rehabilitation Center ("Westwood"), located at 625 Ashland Street, Archdale, NC 27263-2943, which is licensed for 68 skilled nursing ("SNF") beds and 16 adult care home ("ACH") beds.

Westwood wishes to delicense its 16 ACH beds, reducing its total licensed capacity from 84 beds to 68 skilled nursing facility beds. This change will allow Westwood the space to convert its semi-private SNF beds to private SNF beds ("Conversion"). The Conversion does not involve the development of a new institutional health service or an acquisition, and is expected to involve an expenditure of approximately \$100,000. We understand the Conversion is not an activity requiring a CON or CON review and does not require any additional filings with your office.

We respectfully request a letter of exemption from North Carolina's Certificate of Need section for the proposed change in licensed beds, detailed above.

Thank you for your attention to this matter. If you have any questions, please do not hesitate to contact me at (770) 730-1103 or tracey.c.cosby@consulatehc.com.

Sincerely,

Tracey C. Cosby
