Project Description: Convert 31 of 81 existing adult care home beds to SCU beds
County: Robeson

Dear Mr. Burrow:

The Healthcare Planning and Certificate of Need Section, Division of Health Service Regulation (Agency) received your correspondence regarding the above referenced proposal. Based on the CON law in effect on the date of this response to your request, the proposal described in that correspondence is not governed by, and therefore, does not currently require a certificate of need. If the CON law is subsequently amended such that the above referenced proposal would require a certificate of need, this determination does not authorize you to proceed to develop the above referenced proposal when the new law becomes effective.

You may need to contact the Agency's Adult Care Licensure Section to determine if they have any requirements for development of the proposed project.

This determination is binding only for the facts represented in your correspondence. If changes are made in the project or in the facts provided in the correspondence referenced above, a new determination as to whether a certificate of need is required would need to be made by this office.

Please do not hesitate to contact this office if you have any questions.

Sincerely,

Victorian Senior Care (through management contract) operates an 81-bed adult care home in Robeson County (Red Springs Assisted Living) and we're in the process of submitting a change application to DHSR asking for 31 of the 81 beds to be converted into Special Care Unit beds. Per our previous email, it's my understanding that this project will be exempt from the CON process. Can someone from your office email a letter to me indicating such?
