No Review – Home Hemodialysis Training

Record #: 3632
Date of Request: August 5, 2021
Facility: Alamance County Dialysis
Project Description: Add home hemodialysis training
County: Alamance
FID #: 140092

Dear Ms. Fleming:

The Healthcare Planning and Certificate of Need Section, Division of Health Service Regulation (Agency) received your request regarding the offering of home hemodialysis training and support services at the facility identified above. The proposal as described is not governed by, and therefore, does not currently require a certificate of need provided that the addition of home hemodialysis training and support services does not result in the development of dialysis stations that are in addition to the total number of authorized dialysis stations.

Sincerely,

Celia C. Inman

No Review Request – Add HHD Modality to Existing In-Center Facility

Facility: Alamance County Dialysis
County: Alamance
FID: 140092

Dear Ms. Inman:

We are requesting a No Review Determination which will allow Alamance County Dialysis to add the Home Hemodialysis (HHD) modality to the facility. Alamance County Dialysis has identified one ESRD patient who wants to change their current modality to HHD. Based on conversations with the nephrologists who admit patients to Alamance County Dialysis, additional patients choosing HHD are anticipated.

We are not seeking to add any additional dialysis stations to Alamance County Dialysis with this request. We have adequate space in the facility to add the HHD modality and will not incur a capital expense. The facility will continue to offer in-center and peritoneal dialysis. This change will not adversely impact the patient population of the facility.

You may contact me at 704-577-2853 at your convenience.

Sincerely,

A handwritten signature in black ink that reads "Esther N. Fleming".
