Dear Ms. Berrier:

The Healthcare Planning and Certificate of Need Section, Division of Health Service Regulation (Agency) received your correspondence regarding the project described above. Based on the CON law in effect on the date of this response to your request, the project as described is not governed by, and therefore, does not currently require a certificate of need. If the CON law is subsequently amended such that the above referenced proposal would require a certificate of need, this determination does not authorize you to proceed to develop the above referenced proposal when the new law becomes effective.

This determination is binding only for the facts represented in your correspondence. If changes are made in the project or in the facts provided in the correspondence referenced above, a new determination as to whether a certificate of need is required would need to be made by this office.

Please do not hesitate to contact this office if you have any questions.

Sincerely,

Kim Meymandi

The intent of this email is to inform DHHS of a change of licensee that is being requested from DHHS. Currently *A1A-Assisted Living at The ARC of Benson* operates these facilities: HAL-051-066 and HAL-051-067.

Maylon and Katie McLamb (McLamb's Rest Home) were the former operators and are the owners of the facilities. A1A will be relinquishing their licenses as soon as Katie and Maylon McLamb are licensed for these buildings. They are in the process of submitting applications to license these facilities and operate them by April 30, 2022.

The buildings are currently licensed for 12 beds each. While under A1A's management, HAL-051-067 was operated as a Special Care Unit. Maylon and Katie

McLamb, however, will not operate it as a Special Care Unit. They will operate it and HAL-051-066 as Assisted Living facilities.

Sincerely,
