Record #: 3825
Date of Request: February 18, 2022
Facility Name: Hospice of the Carolina Foothills
Type of Facility: Hospice
FID #: 933884
Acquisition by: Agape Care North Carolina, LLC
Business #: 3283

Dear Mr. Campbell:

The Healthcare Planning and Certificate of Need Section, Division of Health Service Regulation (Agency) determined that the project described above is exempt from certificate of need (CON) review in accordance with G.S. 131E-184(a)(8). Therefore, the above referenced business may proceed to acquire the health service facility identified above without first obtaining a CON. The Agency’s determination is limited to the question of whether the above referenced business would have to obtain a CON if the current owners of the health service facility do in fact sell it to the business listed above. Note that pursuant to G.S. 131E-181(b): “A recipient of a certificate of need, or any person who may subsequently acquire, in any manner whatsoever permitted by law, the service for which that certificate of need was issued, is required to materially comply with the representations made in its application for that certificate of need.”

If the business listed above does acquire the facility, you should contact the Agency’s Acute and Home Care Licensure and Certification Section to obtain instructions for changing ownership of the existing facility.

It should be noted that this Agency's position is based solely on the facts represented by you and that any change in facts as represented would require further consideration by this Agency and a separate determination regarding whether a certificate of need would be required. If you have any questions concerning this matter, please feel free to contact this office.

Sincerely,

Re: Notice of Exempt Acquisition of Existing Hospice Health Service Facilities

Dear Ms. Mitchell:

We represent Agape Care North Carolina, LLC, a North Carolina limited liability company (“**Agape**”). This letter constitutes prior written notice that Agape intends to acquire the following three (3) existing hospice health service facilities that are owned by Hospice of Rutherford County, Inc. dba Hospice of the Carolina Foothills (“**Rutherford**”) on or about March 1, 2022 and subject to required regulatory approvals (individually, a “**Hospice**” and collectively, the “**Hospices**”):

1. Hospice of the Carolina Foothills, 372 Hudlow Road, Forest City, NC, 28043, HOS2891
2. Hospice of the Carolina Foothills, 374 Hudlow Road, Forest City, NC, 28043, HOS0400
3. Hospice of the Carolina Foothills, 155 West Mills Street, Suite 108, Columbus, NC, 28722 HOS0396

The proposed acquisition does not include Rutherford’s home care business licensed under HC5809.

Under the certificate of need (“**CON**”) law, the term *health service facility* is defined to include a hospice office, hospice inpatient facility, and hospice residential care facility. N.C. Gen Stat. § 131E-176(9b). The CON law provides that the acquisition of an existing health service facility (including the equipment then-owned by the facility) shall be exempt from CON review. *Id.* § 131E-184(a)(8). Because the Hospices are existing health service facilities, Agape’s proposed acquisition of the Hospices is exempt from CON review. In addition, the proposed acquisition does not include any other “new institutional health service,” including the acquisition of any major medical equipment or *per se* reviewable equipment or the offering of any *per se* reviewable services.

For the foregoing reasons, we request that the CON Section confirm that Agape's proposed acquisition of the Hospices as described herein is exempt from CON review. Please let us know if you have any questions.

Sincerely,

Forrest W. Campbell, Jr.
