No Review Request – Add PD Modality to Existing In-Center Facility

Facility: Spencer Dialysis
County: Rowan
FID#: 160495

Dear Ms. Faenza:

We are requesting a No Review Determination which will allow Spencer Dialysis to add the Peritoneal Dialysis (PD) modality to the facility. Spencer Dialysis has identified two ESRD patients who want to change from their current modality to PD. Based on conversations with the nephrologists who admit patients to the facility, additional patients choosing PD are anticipated.

We are not seeking to add any additional dialysis stations to the facility with this request. Spencer Dialysis has a Registered Nurse who has been trained in the PD modality and there is adequate space in the facility to accommodate PD training and support services.

The facility will continue to offer in-center dialysis. This change will not adversely impact the patient population of Spencer Dialysis.

The facility would like to be able to offer these services as soon as possible, so we appreciate your prompt review of this request. You can contact me at 704-323-8384 if you have any questions or need more information.

Sincerely,
