Any deficiency statement ending with an asterisk (\*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.

F 553	<p>Continued From page 2</p> <p>(MDS) dated 2/1/23 revealed Resident #12 was cognitively intact.</p> <p>Record review for Resident #12 revealed no evidence of any care plan meetings conducted after 11/11/2022 and no evidence that the resident was incorporated into his care planning process.</p> <p>An interview on 4/25/23 at 3:35 PM with Resident #12, revealed he had never attended a care plan meeting or had been asked to attend one. Resident #12 stated that he wanted to go to his care planning meetings.</p> <p>During an interview on 4/27/23 at 9:26 AM, Social Worker #1 (SW) explained that all residents with a cognitive score between 13-15 were cognitively intact and should have been invited to care plan meetings. SW #1 said the invitations to care plan meetings were provided to the resident and the responsible party after the MDS nurse set the assessment date. SW #1 said herself and SW #2 were responsible for distributing the care plan meeting invitations. Resident #12 was set for a meeting in February 2023 following completion of the 2/1/23 MDS assessment. There was no invitation letter sent for this care plan meeting and no care plan meeting occurred for Resident #12. SW #1 was not sure why Resident #12 had not received invitations to the care plan meetings. SW#1 further explained that care plan meetings were done upon admission and on a quarterly basis, following the completion of the quarterly MDS assessments.</p> <p>An interview with the Director of Nursing (DON) on 4/28/23 at 2:13 PM, revealed Resident #12 should have been invited and involved in their</p>	F 553	<p>have the potential to be affected by the alleged practice.</p> <p>A 100% audit of all current residents who are cognitively intact residents (BIMS score 13-15) will be completed in order to validate whether they have been invited to participate in the planning of their care during the past 90 days. This audit will be completed by the facility Social Worker and Administrator by May 24, 2023</p> <p>All residents identified as not having been invited to participate in their care planning conference will receive an invitation to a scheduled care conference. This will be completed for all affected residents no later than May 26, 2023.</p> <p>Systemic Changes: On 5/18/2023 The Minimum Data Set (MDS) Coordinator and any other Interdisciplinary team member that participates in the MDS assessment process was in serviced /educated by the Director of Nursing.</p> <p>The education focused on: The resident has the right to participate in the development and implementation of his or her person-centered plan of care, including but not limited to: (i) The right to participate in the planning process, including the right to identify individuals or roles to be included in the planning process, the right to request meetings and the right to request revisions to the person-centered plan of care.
