

NC Department of Health and Human Services

NC Home Care Aide Curriculum

Module 9 – Time Management

July 2021

OBJECTIVES

- 1. Explain the importance of time management and organizational skills**
- 2. Apply applicable organizational techniques**
- 3. Explain how time management can impact patient care**
- 4. Demonstrate skillful time management and organizational decision making**

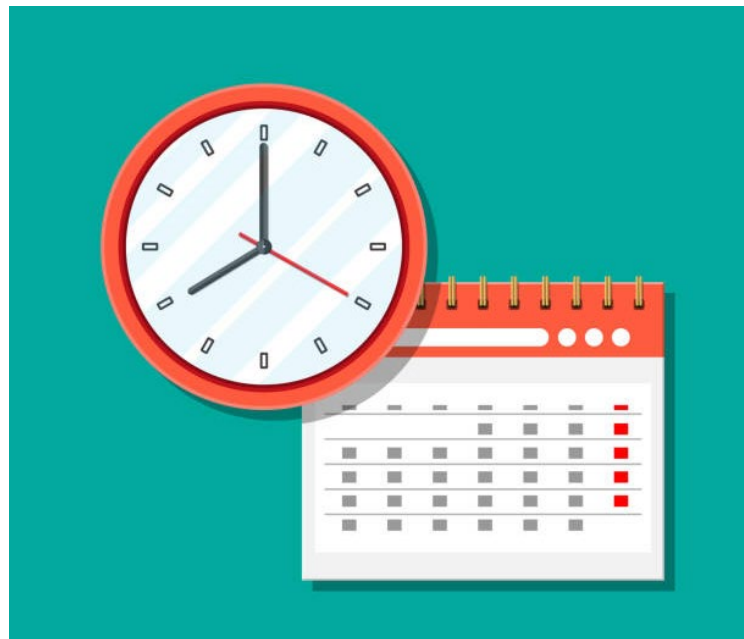

TIME MANAGEMENT

- **There are typically many assigned tasks to be completed, which must be completed in a specified amount of time, often with no direction as to what order to complete them.**
- **Staying organized and managing one's time efficiently ensures appropriate patient care.**

IMPACT OF TIME MANAGEMENT

Better organization and use of time can have a positive impact on one's personal and professional life.

TYPICAL HOME CARE AIDE TASKS

Home care aides have many tasks they are assigned to perform.
