

CHAPTER 11:

Adult Care Home FACILITIES

The following are draft materials related to the projected Adult Care Home Bed Need Determinations

Table 11A: Inventory of Adult Care Home Beds.

Table 11B: Adult Care Home Need Projections for 2014.

Table 11C: Adult Care Home Bed Need Determinations

Based on application of the current methodology and utilization information, there could be need determinations in several counties.

Note: Figures are entered from the 2010 Adult Care Home License Renewal Applications. Data were self reported and are not verified by the Medical Facilities Planning Section. Further, the data provided on the following pages is preliminary and is subject to change throughout the planning year.
