**RE: Letter of Support for Inpatient Hospice Bed Special Need Petition
of Lower Cape Fear Hospice for New Hanover County**

Dear Mr. Smith,

I understand that the Proposed 2011 State Medical Facilities Plan has identified a deficit of 3 inpatient beds in New Hanover County. I am writing to express my support of Lower Cape Fear Hospice & LifeCenter's petition to establish an adjusted need determination of 6 inpatient hospice beds in New Hanover County.

Lower Cape Fear Hospice has operated their Hospice Care Center at over 101% for the past year. As a provider in New Hanover County working with them over the years, they have my complete support concerning this matter.

Sincerely,

William McNulty, M.D.
