

Need Determination

Application of the standard methodology for the North Carolina 2015 State Medical Facilities Plan determined the need for ~~28~~ 30 child/adolescent chemical dependency (substance abuse) beds, as shown in Table 16D below. There is no need anywhere else in the state and no other reviews are scheduled.

REVISED – Table 16D: Child/Adolescent Chemical Dependency (Substance Abuse) Residential Treatment Bed Need Determination

(Scheduled for Certificate of Need Review Commencing in 2015)

This revision eliminates the projected need in the Western Region, as previously shown in the 2015 SMFP for review beginning June 1, 2015.

It is determined that the mental health planning regions listed in the table below need additional child/adolescent chemical dependency treatment beds as specified.

Mental Health Planning Region	HSA	Child/adolescent Chemical Dependency Treatment Bed Need Determination*	Certificate of Need Application Due Date**	Certificate of Need Beginning Review Date
Eastern Region	V, VI	10	June 15, 2015	July 1, 2015
Central Region	II, III, IV,V	18	June 15, 2015	July 1, 2015
It is determined that there is no need for additional child/adolescent chemical dependency treatment beds (inpatient or residential) anywhere else in the state.				
Note: Initial need determinations are residential, unless reallocated at which time the need would be either for residential or inpatient treatment beds.				

* Need determinations shown in this document may be increased or decreased during the year pursuant to Policy GEN-2 (see Chapter 4).

** Application due dates are absolute deadlines. The filing deadline is 5:30 p.m. on the application due date. The filing deadline is absolute (see Chapter 3).
