

1 10A NCAC 13E .0703 is proposed for adoption as follows:
2

3 **10A NCAC 13E .0703 MEDICATION ADMINISTRATION**

4 (a) Medications shall be administered according to current physician's orders and the participant's medication
5 schedule. The medication schedule shall list all medications with dosages and times medications are to be
6 administered.

7 (b) A record of all medications given to each participant shall be updated as needed and shall document the following:

8 (1) the participant's name;

9 (2) the name, dosage, quantity, and route of the medication;

10 (3) instructions for giving medication;

11 (4) the date and time medication is administered; and

12 (5) the name or initials of person giving the medication. If initials are used, a signature for those initials
13 shall be documented and maintained on this record.

14 (c) Medications shall be kept in the original pharmacy containers in which they were dispensed. The containers shall
15 be labeled with the participant's full name, the name and strength of the medicine, and dosage and instructions for
16 administration. Medicines shall be kept in a locked location.
