{D 000}	Initial Comments The Adult Care Licensure Section conducted a follow-up survey on October 21, 2016.	{D 000}		
{D 161}	10A NCAC 13F .0504(a) Competency Validation For LHPS Tasks 10A NCAC 13F .0504 Competency Validation For Licensed Health Professional Support Task (a) An adult care home shall assure that non-licensed personnel and licensed personnel not practicing in their licensed capacity as governed by their practice act and occupational licensing laws are competency validated by return demonstration for any personal care task specified in Subparagraph (a)(1) through (28) of Rule .0903 of this Subchapter prior to staff performing the task and that their ongoing competency is assured through facility staff oversight and supervision. This Rule is not met as evidenced by: Based on interviews and record reviews, the facility failed to have 6 of 6 non-licensed personnel (Staff A, B, C, D, E, F) competency validated prior to the staff performing the task for the preparation of thickened liquids. The findings are: 1. Review of Staff A's personnel record revealed: -She was hired as a nurse aide on 10/15/07. -No documentation Staff A had been competency validated by a licensed health professional on the preparation of thickened liquids. Interview with Staff A on 10/19/16 at 11:10 a.m. revealed the only training she had when preparing thickened liquids was through the	{D 161}
