This plan of correction is submitted as required under State and Federal law. The submission of this Plan of Correction does not constitute an admission on the part of Laurehwoods as to the accuracy of the surveyors' findings or the conclusions drawn therefrom. Submission of this Plan of Correction also does not constitute an admission that the findings constitute a deficiency or that the scope and severity regarding the deficiency cited are correctly applied. Any changes to the Community's policies and procedures should be considered subsequent remedial measures as that concept is employed in Rule 407 of the Federal Rules of Evidence and any corresponding state rules of civil procedure and should be inadmissible in any proceeding on that basis. The Community submits this plan of correction with the intention that it be inadmissible by any third party in any civil or criminal action against the Community or any employee, agent, officer, director, attorney, or shareholder of the Community or affiliated companies.

Resident 3 is being appropriately supervised. Resident 3 has the following interventions in
place to prevent elopement: frequent staff reminders and redirection, encourage
verbalization, and identify and recognize feelings. If any mechanical systems are known to
be non-functioning, back up methods include but not limited to continuous staff presence
at exit doors will be utilized.

700

- Community continues to utilize audible alarms on exit doors, including implementation of
 additional audible magnetic latch alarms on exit doors. Exit doors are also electronically
 tied into nurse call/paging system. Residents in SCU are on 2 hour checks or as indicated
 by their Plan of Care.
- SCC (Wellness Director), Executive Director or designee will monitor staff rounds weekly; Maintenance Director or designee monitors exit door functionality weekly.
- 4. Door alarm functionality will be checked weekly by Maintenance Director or designee.
- 5. Completion: September 6, 2019

Tag D 283

- 1. The ice machine was thoroughly cleaned by Food Service Director at the time of discovery.
- 2. The ice machine will be audited and cleaned weekly or more often if needed
- The Food Service Director will be responsible for monitoring to ensure the ice machine is clean.
- 4. The Food Service Director, Executive Director or designee will monitor weekly.
- 5. Completion: October 31, 2019

Tag D 287

- 1. Memory Care residents have access to knives during meals.
- 2. In October and upon hire Wait staff will in-serviced on of place setting requirements .
- Food Service Director, Executive Director or designee will be responsible for monitoring the place settings.
- Food Service Director, Executive Director or designee will be responsible for monitoring place sottings.
- 5. Food Service Director, Executive Director or designee will monitor at least weekly.
- 6. Completion: October 31, 2019

Tag D 358

- 1. Resident 2 MAR's accurately reflects administration of medications.
- The Community provided the Med Aides with paper MARs to utilize in the event the
 pharmacy fails to input orders timely into QuickMAR. In addition, Med Aides will be inserviced on scanning medications prior to administration. If unable to scan, they will check
 orders against medication label to find any discrepancy and alert the Floor Manager or SCC
 (Wellness Director).
- SCC (Wellness Director), Floor Manager, Executive Director or designee will monitor medication orders
- 4. Auditing and monitoring will occur monthly
- Completion: October 31, 2019

Tag D 454

- The incident involving Resident 3 was reported timely to law enforcement and guardian per 10A NCAC 13F .1212(e)(2).
- Med Aides will be in-serviced on completing DSS incident report and faxing to DSS office after hours and on weekends in the absence of SCC or Floor Manager.
- SCC (Wellness Director), Executive Director or designee will monitor after each reportable incident.
- 4. Monitoring will occur as needed after each reportable incident.
- 5. Completion; October 31, 2019

Tag D 464

- 1. Residents 3 and 4 care plans were updated.
- 2. SCC will utilize the same comprehensive care plan form/assessment on a quarterly basis as she uses for 6 month updates rather than the quarterly form that she has been using. For those residents that she has previously used the quarterly form she will redo using the comprehensive assessment.
- SCC will destroy current form but will continue using same method of tracking due dates and will utilize comprehensive care plan assessment for quarterly updates as well as 6 month updates.
- 4. SCC (Wellness Director), Executive Director or designee will monitor monthly
- 5. Completion: October 31, 2019

Tag D 912

- 1. Resident 3 is being appropriately supervised.
- 2. The Community added additional audible devices to exit doors in SCU. For Assisted Living doors, Community continues to utilize a nurse call system to verbally check when doors in Assisted Living are opened and utilize a walkie talkie system to communicate if staff are unable to check the door themselves. Staff will be in-serviced on reporting defective door alarms. In addition, staff will be in-serviced on the door check policy. SCU were in-serviced on continuous rounding.
- Wellness Director, Floor Manager, Executive Director or designee will be responsible for weekly monitoring.
- Wellness Director, Floor Manager, Executive Director or designee will monitor nurse call logs weekly for timely compliance.
- 5. Completion: October 31, 2019
 September 7 2019
