D 000	Initial Comments  The Adult Care Licensure Section and the Iredell County DSS conducted an annual survey on October 18-19, 2022.			
D 344	10A NCAC 13F .1002(a) Medication Orders An adult care home shall ensure contact with the resident's physician or prescribing practitioner for verification or clarification of orders for medications and treatments: (1) if orders for admission or readmission of the resident are not dated and signed within 24 hours of admission or readmission to the facility; (2) if orders are not clear or complete; or (3) if multiple admission forms are received upon admission or readmission and orders on the forms are not the same. The facility shall ensure that this verification or clarification is documented in the resident's record.  This Rule is not met as evidenced by: Based on interviews and record review the facility failed to ensure clarification of a medication order for 1 of 3 sampled residents (Resident #1) related to an order for a diuretic that was placed on hold and was restarted without a physician's order.  The findings are:  Review of Resident #1's current FL2 dated 03/29/22 revealed: -The recommended level of care was the Special
