D 344	Continued From page 4 1 Review of Resident #5's current FL-2 dated 01/19/26 revealed: -Diagnoses included diabetes mellitus, chronic kidney disease, and chronic obstructive pulmonary disease. -There was an order for Warfarin 2.5mg 1 tablet 3 times weekly on Monday, Wednesday, and Friday and Warfarin 5mg 1 tablet once daily on Sunday, Tuesday, Thursday, and Saturday (Warfarin is a blood thinner used to prevent blood clots) Review of Resident #5's visit note from the Veteran's Administration (VA) Anticoagulant Clinic dated 02/18/26 revealed: -The resident's target INR goal was 2.0 - 3.0. [International Normalized Ratio (INR) is a lab value used to monitor Warfarin therapy. The target INR range is generally recommended to be 2.0 - 3.0 for most clinical situations.] -Resident #5's INR was checked today, 02/18/26 and it was 2.26 (within the goal range). -There were instructions to stay on the same dose of Warfarin the resident was currently on. -The current dose was noted to be Warfarin 2.5mg on Monday and Wednesday and Warfarin 5mg on Tuesday, Thursday, Friday, Saturday, and Sunday. -The resident's next INR lab appointment was on 03/12/26. -The visit note was not signed by a prescribing practitioner. Review of Resident #5's physician's orders, provider visit notes, and progress notes revealed no documentation the resident's Warfarin order was clarified. Review of Resident #5's January 2026 electronic medication administration record (eMAR) revealed:	D 344	RCC/SIC/ED will compare orders visit discharge summaries after each visit to ensure no changes have occurred RCC/SIC/ED will ensure documentation with all providers including lab, is provided and kept at all times. RCC will keep a separate INR binder to keep track of all records, for easy access. RCC/MT will compare all meds to orders and QMar to ensure proper dosage is given. <i>this will be done weekly</i> RCC will ensure that each MT is completing a weekly cert audit comparing meds to orders for accuracy. RCC will complete a monthly cart audit to ensure organization, cleanliness and checking for anything out of date etc. <i>RCC/SIC will contact PCP for order clarification</i>	4-26-26 On-going 4-26-26 On-going 4-26-26 On-going 4-26-26 On-going 4-26-26 On-going
