Registration and Renewal Process for Providers of HIV Testing, PAP Smear Screening & Mammography Screening

This is a registration process for identification of facilities in NC providing these services.

- A certificate is issued every two years.
- Certificates expire on December 31st.
- Certificates are printed and mailed to facilities along with appropriate letter.
- There is no fee at this time for this certificate.
- All are renewed at the same time regardless of application date.
- Initial applications received during the year will have the same expiration date for that certification period.
- Completed applications can also be faxed to 919-733-0176; It is not necessary to send them in the mail.
