The Certificate of Need (CON) Section, Division of Health Service Regulation, Department of Health and Human Services has conditionally approved the above referenced certificate of need application. This decision was made after a review of the applications submitted for this cycle and after consideration of the Certificate of Need Law, G.S. 131E-175 et. seq. and regulations promulgated there under, the State Medical Facilities Plan, and other applicable information. Attached to this letter are the required findings made with respect to your application. - 2. Hospice & Palliative Care Charlotte Region d/b/a Lincoln County Hospice House shall develop a 6-bed hospice inpatient facility and shall be licensed for a total of 6 hospice inpatient beds upon completion of this project.

The conditional approval is valid only for a capital expenditure of \$3,462,600. If a cost overrun occurs that exceeds the approved capital expenditure amount, a new certificate of need may be required as determined by G.S. 131E-176(16)(e).

The applicant should be aware that according to the Certificate of Need Law any affected person shall have thirty (30) days after the date of decision to file a petition for a contested case on this approval. Further, if you are aggrieved by the conditions of the decision you may file a petition for a contested case hearing in accordance with G.S. 150B, Article 3, as amended. G.S. 150B-23 provides that a party filing a petition must also serve a copy of the petition on all parties to the petition.
