It is requested that a copy of the petition also be served on the Agency.

Please be advised that in accordance with G.S. 131E-188, as a condition precedent to proceeding with a contested case hearing on the approval of an applicant for a certificate of need, the petitioner shall deposit a bond with the clerk of superior court where the new institutional health service that is the subject of the petition is proposed to be located. The bond shall be secured by cash or its equivalent in an amount equal to five percent (5%) of the cost of the proposed new institutional health service that is the subject to the petition, but may not be less than five thousand dollars (\$5,000) and may not exceed fifty thousand dollars (\$50,000). Moreover, the applicant who received approval for the new institutional health service that is the subject of the petition may bring an action against a bond filed under this subsection in the superior court of the county where the bond was filed. Upon finding the petition for a contested case was frivolous or filed to delay the applicant, the court may award the applicant part or all of the bond filed.
