Dear Ms. Rippy:

The Certificate of Need Section (CON Section) received your letter of October 16, 2013 regarding the above referenced proposal. Based on the CON law in effect on the date of this response to your request, the proposal described in your correspondence is not governed by, and therefore, does not currently require a certificate of need. However, please note that if the CON law is subsequently amended such that the above referenced proposal would require a certificate of need, this determination does not authorize you to proceed to develop the above referenced proposal when the new law becomes effective.

Moreover, you need to contact the Adult Care Licensure Sections of the Division of Health Service Regulation to determine if they have any requirements for development of the proposed project.
