Re: Site Relocation for Community Home Care & Hospice, LLC d/b/a Community Home Care and Hospice (License Number: HOS 3005; Facility ID: 050346) (Franklin County/Health Service Area IV)

Dear Mr. Smith:

Pursuant to N.C. Gen. Stat. § 131E-184(a), we are writing to notify you that the above-identified hospice agency, currently located at 928 North Main Street, Louisburg, North Carolina 27549-2170 (the "Current Location"), will be relocating its office to 102 West Nash Street, Suite F, Louisburg, North Carolina 27549-2170 (the "New Location"), effective **November 1, 2013**. The Current Location is operated under license number HOS 3005. Attached for your review is a redacted copy of the lease agreement for the New Location.

This relocation is being made as a result of the expiration of the Current Location's lease. The New Location is located approximately 0.97 miles and approximately two minutes from the Current Location. As such, both the Current Location and the New Location are within the original service area of the hospice agency. This relocation does not involve any activities that would implicate the definition of "new institutional health service" as that term is defined in N.C. Gen. Stat. § 131E-176(16).

The relocation is scheduled to occur on November 1, 2013. In advance of that date, we would appreciate your written confirmation that the proposed relocation does not require a CON.

If you have any questions or are in need of further information regarding this notification, please contact me at (704) 662-1771 or via email at dabell@curohs.com. You may also contact either Ross Sallade at (919) 329-3875 or via email at Ross.Sallade@nelsonmullins.com or Freddie Zufelt at (919) 329-3819 or via email at Freddie.Zufelt@nelsonmullins.com. We appreciate your consideration of this matter.

Sincerely Yours,

TENANT: Community Home Care & Hospice, LLC

DATE: _____, 2013

SUITE: F

PROPERTY: 102 West Nash Street
Louisburg, NC 27549

LEASE AGREEMENT

THIS LEASE AGREEMENT ("Lease") is made as of the _____ day of _____, 201_ (the "Effective Date"), by and between HARRIS PHARMACY, INC., a North Carolina corporation ("Landlord") and COMMUNITY HOME CARE & HOSPICE, LLC, a Delaware limited liability company ("Tenant").

1. PREMISES.

- (a) **Premises.** Landlord leases to Tenant, and Tenant leases from Landlord, upon the terms and conditions contained in this Lease, commercial office space consisting of approximately 375 square feet of exclusive space, being all of Suite F (the "Premises") of the building located at 102 West Nash Street, Louisburg, NC (the "Building"). The Building and the land on which it is situated (the "Land"), as further described on Exhibit "A", shall be collectively referred to as the "Property." Landlord expressly agrees, and the parties hereto understand, that the Premises as described and diagrammed in Exhibit "B" is to be exclusively used by Tenant throughout the Term of the Lease.
- (b) **Common Areas.** Tenant shall have the non-exclusive right to use all portions of the Property intended for common use as common areas (the "Common Areas"). Tenant shall enjoy and use the Common Areas equally with other tenants with rights to the Property.
- (c) **Parking Lot.** Tenant has the non-exclusive right to use the parking lot situated on the Land (the "Lot").

2. TERM OF LEASE.

The term of this Lease is one year, commencing on November 1, 2013 (the "Commencement Date"), and ending on October 31, 2014 (the "Term"). Upon termination of this Lease for any reason during the first year of the Term, the parties shall not enter into a new agreement covering the subject matter of this Lease with compensation terms that differ in any respect from those set forth in this Lease until more than one year after the Commencement Date has passed.

3. RENT.

- (a) **Basic Rent.** Tenant shall pay to Landlord rent in the amount of [REDACTED] per month ("Basic Rent"), in advance and without demand, on the first day of each month during the Term.
- (b) **Payment.** Tenant shall deliver all payments of Basic Rent and additional rent (collectively, "Rent") to Landlord at the address set forth in Paragraph 13 herein or, upon notice to Tenant, at another location. If the Basic Rent is not paid by Tenant within (10) days after tenant's receipt of notice from Landlord that such installment of Basic Rent was not paid, then Tenant agrees to pay the late charge

of [REDACTED] per each additional day thereafter until the past due installment is paid in full. Any late fee assessed against Tenant as set forth herein shall be used to compensate Landlord for additional administrative costs, expenses and as liquidated damages caused by the late payment.

4. USE AND OCCUPANCY OF THE PREMISES.

- (a) The Premises may be occupied only for commercial (non-residential) purposes and may be used as professional offices and for related purposes. No other use shall be permitted without the prior consent in writing of Landlord, which consent shall not be unreasonably withheld, conditioned or delayed. Landlord represents and warrants to Tenant that, pursuant to applicable law (including local rules, regulations and ordinances), the Premises can and is ready to be used as professional offices and for related purposes. Landlord shall not take any action to alter or amend, or voluntarily permit the alteration or amendment of, the certificate of occupancy (or similar certificate) for the Premises in such a way that the Premises will no longer be allowed to be used for the permitted use set forth in this Paragraph 4(a).
- (b) Tenant's use and occupancy of the Premises shall be in conformance with all applicable federal, state and local rules, regulations, laws and ordinances now in force or that may be enacted in the future. Tenant shall not store any flammable, hazardous, or toxic substances or engage in any activity on or about the Premises which activities or substances expose Tenant, Landlord, or others to an unreasonable risk of injury, loss or damage.
- (c) Notwithstanding anything in this Lease to the contrary, but subject to Paragraph 16(j), Landlord shall not require Tenant to undertake any construction or alterations in the Premises or Building in order to comply with laws, rules, regulations, orders, ordinances, directions or requirements of any governmental authority or agency except to the extent that the construction or alteration is required as a result of any particular use (including any alterations) of the Premises by Tenant. If any portion of the Premises is in violation of any such laws, rules, regulations, orders, ordinances, directions or requirements, and that violation is not a result of Tenant's particular use of the Premises, then to the extent that violation materially and adversely interferes with Tenant's ability to conduct its business in the Premises or subjects Tenant to any fine or penalty, Landlord shall, within a reasonable period of time after notice from Tenant, correct the condition at Landlord's expense.

5. DESTRUCTION OF PREMISES.

Tenant shall notify Landlord as soon as possible of any casualty loss in or about the Premises and Tenant shall promptly notify Landlord of any circumstance or condition in or about the Premises that Tenant has actual knowledge of and which threatens the Premises, the Property or the safety of Tenant, Landlord or others. If the Premises is partially or completely destroyed by fire or other casualty, Tenant shall have the right and option to (a) continue to occupy the

habitable portion, if any, of the Premises, or (b) terminate this Lease and receive an immediate return of all sums prepaid by Tenant through the date of transfer of possession to Landlord. Tenant shall not have the option of terminating this Lease if the loss was the result of the negligence of Tenant, Tenant's employees or business invitees and Landlord restores the Premises within ninety (90) days of the said damage. Rent shall be proportionately abated based on the usable portion of the Premises, Building and/or Lot (in Landlord and Tenant's reasonable opinions) until such time as the Premises, Building and/or Lot are fully restored to the condition existing immediately prior to such casualty.

6. INSURANCE.

Landlord shall insure the Building with a broad form fire and extended coverage insurance policy at full replacement value of the Building.

Landlord and Tenant shall maintain commercial general liability insurance coverage of not less than One Million Dollars (\$1,000,000.00) per occurrence and One Million Dollars (\$1,000,000.00) in the aggregate, insuring against injury or death to persons occurring in or about the Premises or on the Property. Landlord and Tenant shall name the other on all policies of insurance obtained regarding the Premises, each as their interest may appear. Landlord and Tenant shall each give the other at least ten (10) days' prior notice of the cancellation of any such policies. Landlord and Tenant shall be entitled to a certificate of insurance no later than ten (10) days after the expiration date of the then existing policies, together with evidence that the premiums have been prepaid for the full term of the policies.

Notwithstanding anything in this Lease to the contrary, Landlord and Tenant hereby waive and release each other of and from any and all rights of recovery, claims, actions or causes of action against each other, their agents, officers, representatives, employees, servants, contractors and invitees for any loss or damage that may occur to the Premises, improvements or fixtures therein or thereon, or any personal property within the Premises, from any cause whatsoever, to the extent insured against under the terms of the policies required hereunder, regardless of cause or origin, including the negligence of Landlord or Tenant or their agents, officers, representatives, servants, employees, contractors or invitees.

Landlord and Tenant shall cause each insurance policy required under this Lease to provide that the insurance company waives all right of recovery by way of subrogation against either party in connection with any damage covered by such policy.

7. SUBLETTING AND ASSIGNMENTS.

Tenant may assign this Lease (whether by operation of law or otherwise) or enter into any sublease agreement without the prior consent of Landlord; provided, however, that such assignment or subletting shall be in conformity with Paragraph 4 hereof.

8. INDEMNIFICATION.

Tenant shall indemnify, hold harmless and defend Landlord, at Tenant's expense, from and against any and all actions, claims, demands and expenses (including, without limitation,

reasonable attorneys' fees and costs) to the extent relating to or arising from, directly or indirectly: (i) the gross negligence or willful misconduct of Tenant or Tenant's employees, agents or invitees, and (ii) any failure on the part of Tenant to perform any of the agreements, terms, covenants or conditions of this Lease required to be performed by Tenant hereunder.

9. MAINTENANCE OF PREMISES.

Tenant shall use due care in the use of the Premises and all heating, ventilating and air conditioning systems within the Premises.

Landlord shall maintain in good order and repair, including making any necessary repairs and replacements of, the Common Areas, roof, outside walls, the HVAC and mechanical systems, and other structural parts of the Building, the Lot, driveways and sidewalks, trees and shrubs, the sewer, water pipes and other plumbing matters, the electrical wiring, all other items that are capital in nature and all other items not specifically designated to Tenant under this Lease.

Tenant's obligations for maintenance shall include: painting and decorating, floor coverings, and maintenance of voice and data communications lines and equipment.

Tenant, after obtaining Landlord's consent (which consent shall not be unreasonably withheld, conditioned or delayed), shall also have the right to make nonstructural alterations and improvements to the Premises, as long as such alterations and improvements are performed in compliance with all applicable laws and at Tenant's sole cost.

10. RIGHT OF ENTRY.

Landlord, Landlord's agent and persons authorized by Landlord shall have the right, after reasonable prior notice to Tenant, to enter the Premises at all reasonable times to inspect, perform maintenance, do repairs and show the Premises to prospective purchasers or during the last six (6) months of the Term to prospective tenants; provided that in no event shall such access rights unreasonably interfere with Tenant's use of the Premises.

11. TAXES; UTILITIES.

- (a) **Taxes.** Landlord shall pay all real estate taxes imposed upon Landlord or assessed against the Building or Land.
- (b) **Utilities.** Landlord shall contract and pay for all utilities and services to the Premises, including electrical, water, sewerage and waste removal; provided, however, that Tenant shall arrange and pay charges for cable and telephone service.

12. REMEDIES.

The parties acknowledge and agree that time is of the essence and if Tenant shall fail to pay the Rent when due, or if Tenant shall breach any other term or condition of this Lease, then Landlord after the applicable notice and cure period shall have the right and option to pursue any remedy available under applicable laws.

Notwithstanding anything herein to the contrary, Landlord cannot exercise any of its remedies contained in this Lease (other than the assessment of a late charge on Basic Rent as set forth in Paragraph 3(b)) unless: (a) any monetary default remains uncured and such failure continues for a period of ten (10) business days after notice from Landlord to Tenant; or (b) any non-monetary default remains uncured for a period of thirty (30) calendar days after notice from Landlord to Tenant (or such longer time period if reasonably required to cure such non-monetary default and Tenant has commenced curing the default within the said thirty (30) calendar day period). To be effective, any default notice provided by Landlord hereunder must conspicuously state that it is a notice of default.

All remedies contained in this Lease shall be cumulative and concurrent. If Landlord shall pursue any remedy, it shall not be deemed to be a waiver of the right to seek any other remedy that may exist. Either party shall have the right to require strict compliance with the terms and conditions of this Lease without having insisted upon strict compliance at any time during the Term of this Lease. Any conduct which is inconsistent with the right to insist upon strict compliance shall not be a waiver of the right to insist upon strict compliance in the future, shall not create a custom, and shall not modify the terms and conditions of this Lease.

Landlord shall use its commercially reasonable efforts to mitigate its damages in the event that Tenant breaches this Lease.

13. NOTICES.

Any notice, consent, or other communications required or permitted to be given under this Lease must be in writing and shall be effectively given or delivered if hand delivered to the addresses for Landlord and Tenant stated below or if sent by certified, registered or Post Office Express United States Mail, return receipt requested, or FedEx or another nationally recognized overnight courier to said addresses. Any notice mailed shall be deemed to have been given upon the earlier of (a) receipt or refusal thereof, or (b) three days after depositing the same in the U.S. Mail as aforesaid or the next business day after deposit with a nationally recognized overnight courier. Notice effected by hand delivery shall be deemed to have been given at the time of actual delivery. Either party shall have the right to change its address to which notices shall thereafter be sent and the party to whose attention such notice shall be directed by giving the other party notice thereof in accordance with the provisions of this Paragraph.

16. MISCELLANEOUS.

- (a) **Eminent Domain.** If all or any part of the Premises or the Building shall be condemned under the government's power of eminent domain, this Lease shall terminate as to the portion taken and the Rent due hereunder shall be proportionately abated based on the square footage taken pursuant to such power of eminent domain. Notwithstanding anything herein to the contrary, in the event that a material portion of the Premises, Common Area (including, without limitation, the Lot) or Building is taken, Tenant shall have the right to terminate this Lease on notice to Landlord, which termination shall be effective as of the date of the taking. Landlord shall not be liable to Tenant for any claims by Tenant for loss of use of all or any portion of the Premises (or the Building) or because this Lease has been terminated. Landlord shall give Tenant prompt notice of any proposed eminent domain proceeding.
- (b) **Binding Effect, Amendments, Choice of Law.** This Lease shall be binding upon the heirs, executors, personal representatives, successors and assigns of the parties hereto. All rights and remedies of Landlord and Tenant under this Lease shall be cumulative and none shall exclude any other rights or remedies allowed by law. This Lease is declared to be a contract, and all of the terms hereof, and all disputes between the parties arising out of or relating to this Lease, shall be construed according to and governed by the laws of the state where the Property is situated. This Lease may not be altered, changed or amended, except by an instrument in writing executed by all parties hereto, subject to all applicable laws.

- (c) **Consents and Approvals.** Landlord and Tenant each warrant to the other that all consents or approvals required of third parties for the execution, delivery and performance of this Lease by such party have been obtained and that such party has the right and authority to enter into and perform its covenants contained in this Lease.
- (d) **Severability.** If any term or provision of this Lease, or the application thereof to any person or circumstance, shall to any extent be invalid or unenforceable, the remainder of this Lease, or the application of such provision to persons or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby, and each provision of this Lease shall be valid and shall be enforceable to the extent permitted by law.
- (e) **Exhibits and Schedules.** This Lease includes all of the Exhibits and Schedules attached hereto. The terms and conditions included in the attached Exhibits and Schedules, if any, are part of this Lease.
- (f) **Real Estate Broker.** Each party hereto warrants and represents to the other that other than Mohr Partners, Inc., which Landlord has agreed to pay [REDACTED] in connection with the execution of this Lease, no real estate broker or salesman has been involved in the negotiation or execution of this Lease, and each party agrees to indemnify and hold the other harmless from and against any and all claims of any other real estate broker or salesman that arise from the acts of the indemnifying party or its representatives.
- (g) **Compliance.** The parties acknowledge and agree that the remuneration set forth herein has been negotiated in an arm's-length transaction and represents the fair market value and has not been determined in a manner which takes into account the volume or value of referrals or business, if any, that may otherwise be generated between the parties or their employees or contractors. Nothing contained in this Lease shall be construed in any manner as an obligation or inducement to the making of any patient referrals or to generate any other business. Furthermore, the Premises does not exceed that which is reasonably necessary to accomplish the commercially reasonable business purpose of Tenant.
- (h) **Quiet Enjoyment.** Landlord covenants and warrants that it has the full right and lawful authority to enter into this Lease for the Term; that Landlord is lawfully seized of the Premises and has good title thereto, free and clear of all tenancies and encumbrances; and that Tenant shall have quiet and peaceable possession of the Premises during the Term.
- (i) **Signage.** Tenant shall have the right, at Tenant's sole cost and expense, to install signage on the façade of the Building provided such signage is in accordance with all applicable laws and ordinances.
- (j) **ADA Compliance.** Notwithstanding anything to the contrary in this Lease, Landlord shall, at Landlord's own cost and expense, cause the structure of the

Premises to comply in all material respects with the Americans with Disabilities Act of 1990, as now or hereafter amended, and the rules and regulations from time to time promulgated thereunder (hereinafter collectively referred to as the "Act"). Landlord hereby agrees to defend, indemnify and hold Tenant harmless from and against any and all claims, demands, actions, damages, fines, judgments, penalties, costs (including attorney's and consultant's fees) liabilities and losses resulting from Landlord's failure to comply with the Act in accordance with this Paragraph 16(j). Tenant shall notify Landlord of any failure to comply with the Act as required under this Lease to the extent Tenant has knowledge of the same. The provisions of this paragraph shall survive the expiration or other termination of this Lease.

- (k) **Force Majeure.** Neither party will be responsible for delays resulting from causes beyond the reasonable control of such party, including fire, explosion, flood, war, strike, terrorism acts, or riot, provided that the nonperforming party uses commercially reasonable efforts to avoid or remove such causes of nonperformance and continues performance under this Lease with reasonable dispatch whenever such causes are removed.
- (l) **Waiver.** No party shall be deemed to have waived compliance by another party of any provision of this Lease unless such waiver is contained in a written instrument signed by the waiving party and no waiver that may be given by a party will be applicable except in the specific instance for which it is given
- (m) **Construction and Interpretation.** Both parties acknowledge and agree that each party has had the benefit of competent, independent legal counsel and other advisors, and that each party has had an equal right to negotiate the terms and participate in the drafting of this Lease. If any ambiguity or question of intent or interpretation arises, no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Lease.
- (n) **Counterparts.** This Lease may be executed in one or more counterparts, each of which shall be deemed to be an original copy of this Lease and all of which, when taken together, shall be deemed to constitute one and the same agreement. Executed versions of this Lease may be delivered by the parties via facsimile transmission or email, either or both of which shall constitute delivery of an original.
- (o) **Entire Agreement.** This Lease embodies the entire agreement and understanding of the parties related to its subject matter and supersedes all prior proposals, understandings, agreements, correspondence, arrangements and contemporaneous oral agreements relating to subject matter of this Lease. No representation, promise, inducement or statement of intention has been made by any party that has not been embodied in this Lease.

- (p) **Holding Over.** Should Tenant hold over at the Premises after termination of this Lease, by lapse of time or otherwise, Tenant shall be a tenant from month to month, at the same rental and under the same terms and conditions in force at the expiration of this Lease, except as otherwise notified by Landlord.
- (q) **Landlord W-9.** Landlord shall execute and deliver to Tenant an Internal Revenue Service form W-9 on the Effective Date.
- (r) **Information for Tenant Insurance.** Schedule 1 to this Lease contains certain information about the Premises and Building that Tenant needs in order to obtain the insurance required by this Lease.
- (s) **Memorandum of Lease.** Landlord shall execute, acknowledge and record, within a reasonable period of time after Tenant's request, a Memorandum of Lease summarizing the basic information in this Lease. The Memorandum shall be in a form and substance that is acceptable to Tenant in its reasonable discretion.
