Dear Mr. Rush:

The Healthcare Planning and Certificate of Need Section, Division of Health Service Regulation (Agency) determined that based on your letter of October 27, 2017, the above referenced proposal is exempt from certificate of need review in accordance with N.C. Gen. Stat. §131E-184(a)(8). Therefore, Iredell Physician Network L.L.C. may proceed to acquire the above referenced health service facility without first obtaining a certificate of need. However, you need to contact the Agency's Acute and Home Care Licensure and Certification Section to obtain instructions for changing ownership of the existing facility. Note that pursuant to N.C. Gen. Stat. §131E-181(b): *"A recipient of a certificate of need, or any person who may subsequently acquire, in any manner whatsoever permitted by law, the service for which that certificate of need was issued, is required to materially comply with the representations made in its application for that certificate of need."*

It should be noted that this Agency's position is based solely on the facts represented by you and that any change in facts as represented would require further consideration by this Agency and a separate determination. If you have any questions concerning this matter, please feel free to contact this office.
