Dear Ms. Hollier:

The Healthcare Planning and Certificate of Need Section, Division of Health Service Regulation (Agency) received your correspondence regarding the project described above. Based on the CON law in effect on the date of this response to your request, the project as described is not governed by, and therefore, does not currently require a certificate of need. If the CON law is subsequently amended such that the above referenced proposal would require a certificate of need, this determination does not authorize you to proceed to develop the above referenced proposal when the new law becomes effective.

This determination is binding only for the facts represented in your correspondence. If changes are made in the project or in the facts provided in the correspondence referenced above, a new determination as to whether a certificate of need is required would need to be made by this office.

Please do not hesitate to contact this office if you have any questions.

Sincerely,

**Relocation/Change of Address - Effective – 03/31/2021**

Dear Sir or Madam:

Please accept this notification of a relocation/change of address that is effective on March 31, 2021 for the Home Health Agency referenced above.

Initially, the Certificate of Need notification was emailed on February 26, 2021 to the Division of Health Service Regulation – North Carolina Department of Health & Human Services. I have just learned this date that the notification for the Certificate of Need Section was not deliverable as I had addressed in the email. I do offer my sincere apology for this error. Below is the notice intended for the Certificate of Need Section.

North Carolina In-Home Partner I, LLC d/b/a Harris Home Health anticipates relocating its administrative office effective March 31, 2021 to 81 Medical Park Loop, Suite 204, Sylva, NC 28779-5280 which is located in the same county as the current address. The current office address for the provider is 26 Westcare Drive, Suite 30, Sylva, NC 28779-5278 and the approximate distance between the two sites is 0.2 miles.

The relocation is being made pursuant to an operational lease for new space, which will involve the relocation of all of Harris Home Care's administrative personnel, related office furniture, records and computer systems; in addition, the associated capital expenses will remain below the certificate of need expenditure thresholds. No additional or expanded services will be offered at the new office location and there will be no changes in the staff, management and service area. The phone and fax number will remain the same and the move will not include the addition or conversion of any beds, nor will it involve the acquisition of stock.
