Corrected Record #: 4420
Date of Request: April 3, 2024
Facility Name: Glenwood Health and Rehabilitation SNF LLC
Type of Facility: Nursing Facility
FID #: 923353
Acquisition by: 550 Glenwood Dr. LLC
Business #: 3806

Dear Ms. Stern:

The Healthcare Planning and Certificate of Need Section, Division of Health Service Regulation (Agency) determined that the project described above is exempt from certificate of need (CON) review in accordance with G.S. 131E-184(a)(8). Therefore, the above referenced business may proceed to acquire the health service facility identified above without first obtaining a CON. The Agency's determination is limited to the question of whether the above referenced business would have to obtain a CON if the current owners of the health service facility do in fact sell it to the business listed above. Note that pursuant to G.S. 131E-181(b): "*A recipient of a certificate of need, or any person who may subsequently acquire, in any manner whatsoever permitted by law, the service for which that certificate of need was issued, is required to materially comply with the representations made in its application for that certificate of need.*"

If the business listed above does acquire the facility, you should contact the Agency's Nursing Home Licensure and Certification Section to obtain instructions for changing ownership of the existing facility.

It should be noted that this Agency's position is based solely on the facts represented by you and that any change in facts as represented would require further consideration by this Agency and a separate determination regarding whether a certificate of need would be required. If you have any questions concerning this matter, please feel free to contact this office.

Sincerely,

Cynthia Bradford, Project Analyst

Hello Tiffany,

Thank you so much for sending the CON Waiver for Citadel, I really appreciate it. I truly apologize for this, but the new Ownership has asked me to change the Citadel name from Citadel Health and Rehabilitation SNF LLC to Glenwood Health and Rehabilitation SNF LLC. Again, my sincere apologies but if you can please update the name on the waiver that would be so very much appreciated.

Also, I was wondering when I can expect the other three waivers for the following facilities.

Mooresville Health and Rehabilitation SNF LLC
Concord Health and Rehabilitation SNF LLC
Salisbury Health and Rehabilitation SNF LLC

Again my apologies for the necessary update, I greatly appreciate both your and @Bradford, Cynthia Lassistance with this project!

All the best,

Rachel Stern

Thank you so much Ena for following up.

It was so nice to work with you in the past, a shame I won't be able to work with you again on this project. Thank you for forwarding this to the correct project analyst, can I ask you please who this is and his or her contact information so if I need to follow up I can.

Sorry that I was not clear. To clarify, this is for the entire facility with each new name listed below being the owner of operations and the name that will be on the license. I included the property owner LLC names because I think last time you asked me who the owners of the properties are.

Thank you so much for your assistance with this!

Hi Rachel. It looks like these counties are assigned to another Project Analyst. I will forward your request. I did have a quick question. Are these transactions involve owning the entire facility or are they just for the physical property?
