Hello Greg,

Thank you for your phone call today. I appreciate the information you provided and have attached the license for our office in Roxboro as you requested.

Just to confirm, when I stated in my notification email/letter that we seek to expand the “geographic service area into Edgecomb County”, I meant that the office in Roxboro wishes to service clients in that county, not to move/establish an office there. One other detail is that Edgecomb is NOT contiguous to Person County, where our Roxboro office is located.

I hope this clarifies our intent and negates our need for a CON. As we discussed, can you please send a No Review Letter, so we have documentation for our files and well as to show BAYADA’s Roxboro location?

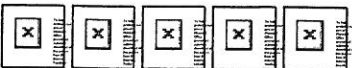

Please let me know if you need any further information/clarification.

Thank you for your assistance,
Paula
