Any deficiency statement ending with an asterisk (\*) denotes a deficiency which the institution may be excused from correcting providing it is determined the other safeguards provide sufficient protection to the patients. (See instructions.) Except for nursing homes, the findings stated above are disclosable 90 decining the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable following the date of survey whether or not a plan of correction is provided. If deficiencies are cited, an approved plan of correction is requisite to continue program participation.
