**Summary Statement of Deficiencies**

An onsite revisit was conducted on 04/12/19 and the facility is back into compliance effective 02/04/19.

The follow up was delayed due to waiting on a decision from CMS regarding the results of the IDR. The follow up was conducted on 4/11/19 through 04/12/19 as soon as we were allowed.

Any deficiency statement ending with an asterisk (*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.
