An unannounced complaint investigation was conducted in the facility on 06/23/20, and was continued remotely through 06/29/20. 1 of 1 complaint allegations was unsubstantiated.

Based on information provided by the facility tag F-689, that was originally cited as a federal citation during the June 29, 2020 survey, was changed to a State licensure citation (see Event #EJZ911). On July 28, 2020, the facility was provided with an amended Statement of Deficiencies reflecting no federal deficiencies were cited as a result of Event #D4NT11.  

Any deficiency statement ending with an asterisk (*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.
