The surveyor entered the facility on 11/30/21 to conduct a complaint investigation and follow up survey. The surveyor was onsite 11/30/21 and 12/1/21. Additional information was obtained offsite on 12/9/21. Therefore, the exit date was 12/9/21. Tag F 925 was corrected as of 12/9/21. However, a new tag was cited as a result of the complaint investigation survey that was conducted at the same time as the revisit. The facility is still out of compliance.

Electronically Signed

Any deficiency statement ending with an asterisk (*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.
