**Note:** The 2026 SMFP includes need determinations for the Forsyth/Yadkin and the Pitt/Greene/Hyde/Tyrrell service areas. The draft tables do not include placeholders for the 2026 need determinations in these service areas. This is because Forsyth and Pitt are urban counties, which have been removed from these tables and the calculations to project need in rural counties. If a CON is awarded to a rural county pursuant to a 2026 need determination, it will be applied to the need determination methodology calculations with a potential impact on need determinations.
