This facility is licensed for the following service category: 10A NCAC 27G .1300 Residential Treatment for Children or Adolescents.	V 000	Facility determined that verification that orders had been signed by the MD was not happening consistently. The plan to correct current orders in the system will be overseen by the Nursing Director at our Facility. She will review all existing orders to ensure they have been signed.	audit will be complete by 6/9/18
V 118	27G .0209 (C) Medication Requirements 10A NCAC 27G .0209 MEDICATION REQUIREMENTS (c) Medication administration: (1) Prescription or non-prescription drugs shall only be administered to a client on the written order of a person authorized by law to prescribe drugs. (2) Medications shall be self-administered by clients only when authorized in writing by the client's physician. (3) Medications, including injections, shall be administered only by licensed persons, or by unlicensed persons trained by a registered nurse, pharmacist or other legally qualified person and privileged to prepare and administer medications. (4) A Medication Administration Record (MAR) of all drugs administered to each client must be kept current. Medications administered shall be recorded immediately after administration. The MAR is to include the following: (A) client's name; (B) name, strength, and quantity of the drug; (C) instructions for administering the drug; (D) date and time the drug is administered; and (E) name or initials of person administering the drug. (5) Client requests for medication changes or checks shall be recorded and kept with the MAR file followed up by appointment or consultation with a physician.	V 118	Going forward, the measures that will be taken to prevent this from happening again will also be overseen by the Nursing Director, who will preform a weekly audit of the electronic charts to ensure that all new orders have been entered, sent to the MD, and signed by the MD. DHSR - Mental Health JUN 01 2018 Lic. & Cert. Section	new measures will be in place by 6/9/18
