V 290	27G .5602 Supervised Living - Staff 10A NCAC 27G .5602 STAFF (a) Staff-client ratios above the minimum numbers specified in Paragraphs (b), (c) and (d) of this Rule shall be determined by the facility to enable staff to respond to individualized client needs. (b) A minimum of one staff member shall be present at all times when any adult client is on the premises, except when the client's treatment or habilitation plan documents that the client is capable of remaining in the home or community without supervision. The plan shall be reviewed as needed but not less than annually to ensure the client continues to be capable of remaining in the home or community without supervision for specified periods of time. (c) Staff shall be present in a facility in the following client-staff ratios when more than one child or adolescent client is present: (1) children or adolescents with substance abuse disorders shall be served with a minimum of one staff present for every five or fewer minor clients present. However, only one staff need be present during sleeping hours if specified by the emergency back-up procedures determined by the governing body; or (2) children or adolescents with developmental disabilities shall be served with one staff present for every one to three clients present and two staff present for every four or more clients present. However, only one staff need be present during sleeping hours if specified by the emergency back-up procedures determined by the governing body.		V 290	The qualified professional will conduct a safety assessment to determine if an individual is able to have unsupervised time. The current policy was to have the qualified professional to coordinate with psychiatrist to determine if the individual has the ability to have unsupervised time. The information regarding the unsupervised time will be documented in the plan and also returned in a note provided by the doctor. All of this will be done in accordance with 10A NCAC 27G.5602	7/1/18
