Notwithstanding G.S. 114-19.10, the Department of Justice shall return the results of national criminal history record checks for employment positions not covered by Public Law 105-277 to the Department of Health and Human Services, Criminal Records Check Unit. Within five business days of receipt of the national criminal history of the person, the Department of Health and Human Services, Criminal Records Check Unit, shall notify the provider as to whether the information received may affect the employability of the applicant. In no case shall the results of the national criminal history record check be shared with the provider. Providers shall make available upon request verification that a criminal history check has been completed on any staff covered by this section. A county that has adopted an appropriate local ordinance and has access to the Division of Criminal Information data bank may conduct on behalf of a provider a State criminal history record check required by this section without the provider having to submit a request to the Department of Justice. In such a case, the county shall commence with the State criminal history record check required by this section within five business days of the conditional offer of employment by the provider. All criminal history information received by the provider is confidential and may not be disclosed, except to the applicant as provided in subsection (c) of this section.
