Dear Ms. Rising and Branton:

Enclosed please find the plan of correction related to the recent audit completed 11-9-18 at Daymark Davidson FBC.

Upon review of the information, we have moved forward with working with the staffing agency to ensure basic training on general knowledge re: MH/SUD/I/DD and are working with them to develop their training for de-escalation and physical restraints, time out.

I would like to request clarification regarding the letter received along with the summary of deficiencies.

In the body of the letter, there is a statement that the complaint was substantiated. My notes from the exit interview indicated that many of the complaints were unsubstantiated. I am confused with the wording apparently identifying all allegations were substantiated.

Could I receive your interpretation on this statement, please?

Thank you in advance, and please contact me at 336-466-5404 or at swilcox@daymarkrecovery.org should you have any further questions regarding our enclosed response.

Respectfully,

Sharon Wilcox, RN, BS, BSN
