V 118 27G .0209 (C) Medication Requirements

10A NCAC 27G .0209 MEDICATION REQUIREMENTS

(c) Medication administration:

(1) Prescription or non-prescription drugs shall only be administered to a client on the written order of a person authorized by law to prescribe drugs.

(2) Medications shall be self-administered by clients only when authorized in writing by the client's physician.

(3) Medications, including injections, shall be administered only by licensed persons, or by unlicensed persons trained by a registered nurse, pharmacist or other legally qualified person and privileged to prepare and administer medications.

(4) A Medication Administration Record (MAR) of all drugs administered to each client must be kept current. Medications administered shall be recorded immediately after administration. The MAR is to include the following:

(A) client's name;

(B) name, strength, and quantity of the drug;

(C) instructions for administering the drug;

(D) date and time the drug is administered; and

(E) name or initials of person administering the drug.

(5) Client requests for medication changes or checks shall be recorded and kept with the MAR

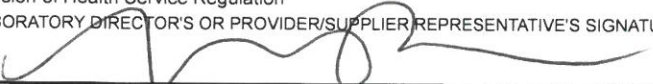

V 118

V118

The QP and/or manager will inservice staff on medication requirements. The QP and/or manager will inservice staff to ensure Client #1 and all other clients receive medications as ordered and documented as required to include documentation on the back up MAR paper forms if issues with computerized MAR. The QP/and manager will conduct periodic checks on the MAR to ensure Medication requirements are met for two months or until the issue is resolved.
