Dear Ms. Johnson:

Thank you for the cooperation and courtesy extended during the annual and follow up survey completed 9/19/19.

Enclosed you will find all deficiencies cited listed on the Statement of Deficiencies Form. The purpose of the Statement of Deficiencies is to provide you with specific details of the practice that does not comply with state regulations. You must develop one Plan of Correction that addresses each deficiency listed on the State Form, and return it to our office within ten days of receipt of this letter. Below you will find details of the type of deficiencies found, the time frames for compliance plus what to include in the Plan of Correction.

Type of Deficiencies Found

- Re-cited standard level deficiencies.
- All other tags cited are standard level deficiencies.

Time Frames for Compliance

- Re-cited standard level deficiency must be **corrected** within 30 days from the exit of the survey, which is October 19, 2019.
- Standard level deficiencies must be **corrected** within 60 days from the exit of the survey, which is November 18, 2019.

What to include in the Plan of Correction

- Indicate what measures will be put in place to **correct** the deficient area of practice (i.e. changes in policy and procedure, staff training, changes in staffing patterns, etc.).
- Indicate what measures will be put in place to **prevent** the problem from occurring again.
- Indicate **who will monitor** the situation to ensure it will not occur again.
- Indicate **how often** the monitoring will take place.
- Sign and date the bottom of the first page of the State Form.

Make a copy of the Statement of Deficiencies with the Plan of Correction to retain for your records. **Please do not include confidential information in your plan of correction and please remember never to send confidential information (protected health information) via email.**
