W 130	<p>PROTECTION OF CLIENTS RIGHTS CFR(s): 483.420(a)(7)</p> <p>The facility must ensure the rights of all clients. Therefore, the facility must ensure privacy during treatment and care of personal needs.</p> <p>This STANDARD is not met as evidenced by: Based on observations, record review and interviews, the facility failed to ensure client #2 received privacy during care of her personal needs. This affected 1 of 3 audit clients. The finding is:</p> <p>Client #2 was not afforded privacy during toileting.</p> <p>During observations in the home on 9/8/20 at 10:36am, Staff D prompted client #2 to the bathroom for toileting. Client went into a bathroom, pulled down her pants and underwear and began urinating. At this time, Staff G passed within close proximity to the bathroom with another client on two separate occasions. Client #2 remained in the bathroom with her clothing down around her knees.</p> <p>Interview on 9/9/20 with Staff D revealed client #2 usually goes on her own but "lately" she has needed staff assistance to ensure her privacy.</p> <p>Review on 9/9/20 of client #2's Adult Daily Living Skills Evaluation (ADLSE) dated 2/2/20 revealed she requires verbal prompts to close the door for privacy when using the toilet.</p> <p>Interview on 9/9/20 with the Assistant Director of ICF/IID confirmed client #2 usually ensures her own privacy; however, she was recently diagnosed with a urinary tract infection (UTI) and</p>	W 130	<p>W-130</p> <p>On or before November 7, 2020 the QIDP will develop privacy guidelines for all individuals/clients in the group home and train all Laramie staff on privacy guidelines. Copy of training will be filed in the staff training record.</p> <p>DHSR - Mental Health</p> <p>OCT 2, 2020</p> <p>Lic. & Cert. Section</p>	11/7/2020

W 249	<p>Continued From page 2</p> <p>Interview on 9/8/20 with Staff F revealed since COVID-19 none of the clients have been participating with meal time tasks such as meal preparation, setting the table and family style dining. The staff indicated this directive had come from management staff.</p> <p>Interview on 9/9/20 with Staff A and Staff B also indicated clients were "not doing as much" in the kitchen due to concerns with COVID-19. When asked if this was a directive given by management staff, Staff A stated, "Not directly, I don't think." Staff B added it was done as a precaution, "for them and for us."</p> <p>a. Review on 9/9/20 of client #1's Adult Daily Living Skills Evaluation (ADLSE) only dated 2020 revealed she could pour a drink into a glass from a pitcher and pass items at the meal when asked given prompts. Additional review of the ADLSE indicated she uses serving utensils with a verbal prompt and can independently serve herself reasonable portions. Further review of client #1's IPP dated 2/13/20 also revealed an objective to independently bring a beverage pitcher to the table for breakfast and dinner. The plan indicated she is "capable of participating in family style dining."</p> <p>b. Review of client #2's ADLSE dated 2/2/20 revealed given prompts she can make lunch, use the microwave, set the table, empty pre-opened cans and make a simple drink. Additional review noted the client requires verbal prompts to pass food when asked and can independently pour a drink into a glass and use serving utensils. The ADLSE indicated she can use the stove/oven, cook some items, cook full meals, cut with a knife and serve herself reasonable portions given</p>	W 249	<p>W-249</p> <p>On or before Members of the coordinator staff will monitor for implementation of guidelines in the group home weekly and fade to monthly. W 249	Continued From page 3 manipulation. c. Review of client #6's IPP dated 9/12/19 revealed she participates in family style dining with staff assistance. The plan also noted she had successfully completed an objective to set the table at dinner. Additional review of the client's ADSLE dated 9/12/19 indicated she can independently pour a drink into a glass from a pitcher, pass items when asked, use serving utensils and serve herself reasonable portions. Interview on 9/9/20 with the Qualified Intellectual Disabilities Professional (QIDP) and the Assistant Director of ICF/IID revealed no clients in the home or staff working in the home have been suspected of having COVID-19 or diagnosed with it. Additional interview noted staff have been trained on taking precautions against the virus (i.e. sanitizing surfaces, hand washing, social distancing, wearing masks, etc.) while working in the home and there was no reason clients could not be participating in various dining and kitchen tasks.	W 249	W-249 On or before Members of the coordinator staff will monitor for implementation of guidelines in the group home weekly and fade to monthly. A record of documentation of monitoring will be kept in the Plan of Correction notebook.
