V 314	27G .1901 Psych Res. Tx. Facility - Scope 10A NCAC 27G .1901 SCOPE (a) The rules in this Section apply to psychiatric residential treatment facilities (PRTF)s. (b) A PRTF is one that provides care for children or adolescents who have mental illness or substance abuse/dependency in a non-acute inpatient setting. (c) The PRTF shall provide a structured living environment for children or adolescents who do not meet criteria for acute inpatient care, but do require supervision and specialized interventions on a 24-hour basis. (d) Therapeutic interventions shall address functional deficits associated with the child or adolescent's diagnosis and include psychiatric treatment and specialized substance abuse and mental health therapeutic care. These therapeutic interventions and services shall be designed to address the treatment needs necessary to facilitate a move to a less intensive community setting. (e) The PRTF shall serve children or adolescents for whom removal from home or a community-based residential setting is essential to facilitate treatment. (f) The PRTF shall coordinate with other	V 314
