W 342	Continued From page 15 findings are: A. During morning observations in the home on 8/18/21 at 7:48am, client #5 was pushed by client #3. Further observation revealed client #5 fell backwards, landing on his back and hitting his head on the floor. Additional observations revealed one staff was in the medication room and two staff where in the kitchen. At 7:51am, client #5 was still sitting on the floor rubbing the back of his head. Staff C assisted client #5 to his feet and told him to come into the medication room. Client #5 sat down in the chair and consumed his medications. Client #5 was observed standing in the hallway before he went into his bedroom and sitting on his bed. Additional observations at 8:11am, revealed client #5 in his bed with the covers over his head. During an interview on 8/18/21 at 7:55am, when asked Staff C stated she would tell her supervisor about client #5 being pushed, falling and then hitting his head on the floor. During an interview on 8/18/21 at 8:20am, the residential manager (RM) revealed she was not informed about client #5 being pushed, falling and then hitting his head on the floor. The RM then called the qualified intellectual disabilities professional (QIDP) and explained what happened with client #5. Further interview revealed the QIDP told her to call the facility's nurse. The RM stated the nurse told her to take client #5 to the local emergency room to be assessed for a any injuries. During an interview on 8/18/21, the QIDP revealed the RM should have been notified immediately about client #5 being pushed, falling	W 342
