W 130	<p>PROTECTION OF CLIENTS RIGHTS CFR(s): 483.420(a)(7)</p> <p>The facility must ensure the rights of all clients. Therefore, the facility must ensure privacy during treatment and care of personal needs.</p> <p>This STANDARD is not met as evidenced by: Based on observation and interview, the facility failed to assure privacy was maintained for 1 of 4 sampled clients (#2) during shower preparation. The finding is:</p> <p>Observation in the group home on 4/13/21 at 5:15 PM revealed staff A to exit the bedroom of client #1, enter the bathroom next to client #1's bedroom and stand in the doorway of the bathroom with the door open. Continued observation at 5:18 PM revealed staff A to verbally prompt client #1 to the bathroom from his bedroom and for client #1 to exit his bedroom wearing no clothing. Client #1 was observed to walk to the bathroom and staff A to close the bathroom door. The residential manager was observed to prompt staff A to "make sure client #1 has on a robe next time."</p> <p>Review of records for client #1 on 4/14/21 revealed an individual support plan (ISP) dated 10/22/20. Review of the 10/2020 ISP revealed training objectives relative to: cleaning eyeglasses, community integration, participation in habilitation programs, exercise, hand washing, oral hygiene, chores and coin identification. Further record review revealed a community home life assessment dated 1/18/20 to reflect client #1 shows awareness of a need for privacy with verbal cues.</p>	W 130	<p>W130 The facility will ensure privacy is maintained for all clients. The QP will inservice staff to maintain privacy for all clients including the need of a robe or clothing before exiting the bathroom or bedroom. QP will review/revise community home life assessments for all clients and formulate any needed training. Specific to client #1 QP will formulate an objective to increase privacy skills.</p> <p>To prevent further occurrences: Site supervisor and QP will monitor home weekly to ensure the need for privacy is maintained including when clients are exiting bathroom. Program Manager or designee will ensure privacy is maintained during monthly site review.</p>	6/14/2021

W 130	Continued From page 1 Interview with the group home site supervisor verified staff should have redirected client #1 to his room for a robe when the client exited his room wearing no clothing. Interview with the facility qualified intellectual disabilities professional (QIDP) revealed she was unaware of privacy issues with client #1 such as exiting his room with no clothing. Continued interview with the QIDP verified client #1's right to privacy should be protected and staff should have provided redirection to prevent the client from exiting his room without wearing any clothing. W 227	INDIVIDUAL PROGRAM PLAN CFR(s): 483.440(c)(4) The individual program plan states the specific objectives necessary to meet the client's needs, as identified by the comprehensive assessment required by paragraph (c)(3) of this section. This STANDARD is not met as evidenced by: Based on observation, review of records and interview, the individual support plan (ISP) failed to have sufficient training objectives to meet identified client needs for 2 of 4 sampled clients (#1 and #6). The findings are: A. The ISP for client #1 failed to have programming to address needs relative to maladaptive behaviors. For example: Observation at the group home on 4/14/21 at 8:25 AM revealed client #1, #2, #3 and #5 to load the facility van for an outing. Continued observation revealed client #1 to sit in the front passenger seat. Further observation revealed	W 227	W227 The facility will ensure the Individual Support Plan will have sufficient training objectives to meet identified client needs. Program Manager will inservice QP and behaviorist to ensure sufficient training objectives are implemented to meet identified client needs. A. Specific for client #1 behaviorist will ensure guidelines are formulated for verbal aggression. B. Specific for client #6 QP will consult with dietian to obtain meal guidelines to support weight gain. W 227 To prevent further occurrences: QP will review weights, behaviors and other needs per ISP and observation in monthly core meeting with other team members including behaviorist to ensure all training has been identified and implemented as needed. Program Manager or designee will ensure identified needs are met via during monthly site review	6/14/2021

W 227	<p>Continued From page 3 used as an intervention to calm client #1 down.</p> <p>Review of the 2/2021 behavioral note revealed: verbal aggression towards another resident telling them to "shut up". Continued review of the 2/2021 behavioral note revealed: the site supervisor expressed client #1 agitates other residents, this will be discussed at core team.</p> <p>Interview with the facility behaviorist on 4/14/21 confirmed client #1 had demonstrated episodes of verbal aggression in 12/2020, 1/2021 and 2/2021. Continued interview with the facility behaviorist revealed client #1's behavior continues to be monitored to determine needs of the client. Subsequent interview with the facility behaviorist verified no current program or guidelines to address verbal aggression behaviors of client #1 had been implemented after 3 consistent months of behavioral incidents.</p> <p>B. The PCP for client #6 failed to have programming to address dietary support with weight gain. For example:</p> <p>Observation in the group home on 4/13/21 at 5:00 PM revealed client #6 to sit at the table with other residents to participate in the dinner meal. Continued observation at 5:05 PM revealed client #6 to take his plate consisting of Teriyaki Asian salad and green beans to the trashcan and throw food items away. Subsequent observation revealed the site supervisor to ask client #6 if he wanted something else and for client #6 to go to the kitchen cabinet to point out ravioli. Additional observation revealed the site supervisor to heat a can of ravioli for client #6 and to provide the client with the meal substitution. Client #6 was observed to eat several bites of ravioli and take</p>	W 227		6/14/2021

Dear Kaila Mitchell,

Please find the enclosed plan of correction for deficiencies cited during the recent Recertification Survey completed at the Denbur Group Home on 4/13-14/2021. Deficiencies will be corrected as indicated in plan of correction.

We would like to request an invitation of return visit on or after June 14, 2021.

Thank you for all your assistance that you provide us in helping meet the needs of the people we serve.

Sincerely

Jenita Hooks
Program Manager

Respect and Care
