V 289	Continued From page 6 Interview on 3/1/22 with the Qualified Professional revealed: -The clients have virtual sessions with therapist weekly. -The sessions lasted no more than a hour per client. -The clients are provided privacy in the office during their session. -He confirmed clients from his home were combined at another group home location for therapy sessions. Interview on 2/25/22 with the Director revealed: - The therapy sessions are held virtually on the computer. -Clients do have therapy sessions at the home weekly. -Since the homes engage in social activities together, thought it was OK to have therapy sessions at same home as long as staff were with the clients.
