medication requirements to correct errors and to come into compliance.

-Employees making frequent med. (medication) errors will only be able to administer meds. under supervision of an experienced employee or supervision.

-All insulin related issues re (regarding) :documentation, use of glucometer, sliding scale protocol, checking MARs, MD (Medical Doctor) orders, R/X's (prescriptions) will be reviewed every two days by RN or designee. A sign in sheet will be provided. Correction date to begin trainings will begin on 7/1/22.

-Describe your plans to make sure the above happens.

-Daily monitoring will be will be done by RN & QP. All staff who do not show improvement in administration and documentation with in 2 weeks will be suspended or terminated."

Clients whose diagnoses included Traumatic Brain Injury, Diabetes, H/O Prostate Cancer, Liver Neoplasm with Metastasis, Epilepsy, Schizoaffective Disorder and Severe Polysubstance Use Disorder resided at the facility. The staff were inconsistently documenting on 2 different forms related to client #1's BS results and what insulin was administered. Between 5/23/22-6/30/22 client #1's blood sugar was not checked six times due to being "out of the home." One occasion during the time period reviewed, insulin was given in the evening hours without food. From 5/23/22 - 6/30/22, there were 19 opportunities to have client #1's BS checked. On 6/13/22 client #3 was prescribed three medications and staff did not initial the MAR six days during the review period. This deficiency constitutes a Failure to Correct the Type A1 rule violation originally cited for serious neglect. An administrative penalty of $500.00 per day is

the hospital.
-She and the Qualified Professional (QP) usually complete the IRIS reports.
-Had not completed one regarding the fight between client #5 and #3.
-Was not sure if an incident report needed to be done.
-Will do one immediately in IRIS.

Interview on 6/30/22 client #3 stated:
-Client #5 called him a "racist" name a few weeks ago in the facility.
-He punched client #5 in the face and they began to fight.
-He had client #5 in a "headlock" and client #3 bit his arm and stomach.
-Staff #1 broke the fight up and called the police.
-Police came out and he was taken to the Emergency Room due to his bights.
-The bight on his arm was deep and bleeding.
-Was prescribed medication at the hospital for the bight and received a shot.

Interview on 6/30/22 staff #1 stated:
-On 6/13/22 the clients were in line to receive their PM medications.
-She noticed client #5 was acting "different" so she asked did he want a snack and he declined.
-Client #5 then called client #3 the "N" word and client #3 punched client #5.
-Client #3 will call staff and clients "racist" names when he got upset.
-Tried to keep client #3 away from client #5 during the altercation as client #5 was not listening to her.
-Contacted the police and the clients were taken to the hospital.

Interview on 7/7/22 the QP stated:
-She and the COO do the IRIS reports for all
