V 367	Continued From page 3 Interview on 7/14/22 with the QP revealed: - On 5/13/22 the police were called by client #1 after client #1 and client #2 had a physical fight. - She did not complete an Incident Response Improvement System (IRIS) report because she thought when the police were called, an IRIS report only needed to be completed if the client went to the hospital. Interview on 7/15/22 with client #1 revealed: - On 5/13/22 client #2 "attacked" her. No injuries resulted from the attack. - After the 5/13/22 fight, she called "911" and the police had come to the group home. Review on 7/14/22 of the Incident Response Improvement System (IRIS) revealed: - There was no IRIS report regarding the police call on 5/13/22. This deficiency constitutes a re-cited deficiency and must be corrected within 30 days.	V 367
