V 000 INITIAL COMMENTS

An annual, complaint and follow up survey was completed on 07/21/22. The complaints were substantiated (#NC00190473 & #NC00190231). Deficiencies were cited.

This facility is licensed for the following service category: 10A NCAC 27G .5600C Supervised Living for Adults with Developmental Disability.

This facility is licensed for 3 and currently has a census of 2. The survey sample consisted of audits of 2 current clients.

V 000

Professional Family Care Services (PFCS) Residential Manager has developed a quarterly schedule to address each shift completing the Fire and Disaster Drills.

07/15/22

V 114 27G .0207 Emergency Plans and Supplies

10A NCAC 27G .0207 EMERGENCY PLANS AND SUPPLIES

(a) A written fire plan for each facility and area-wide disaster plan shall be developed and shall be approved by the appropriate local authority.

(b) The plan shall be made available to all staff and evacuation procedures and routes shall be posted in the facility.

(c) Fire and disaster drills in a 24-hour facility shall be held at least quarterly and shall be repeated for each shift. Drills shall be conducted under conditions that simulate fire emergencies.

(d) Each facility shall have basic first aid supplies accessible for use.

This Rule is not met as evidenced by:  
Based on record review and interview the facility failed to ensure disaster drills were completed quarterly and on each shift. The findings are:

V 114

In the futrue PFCS Residential Director will conduct an in-service training to all group home staff on policies of conducting and ensuring fire and disaster drills, which will be conducted quarterly on each shift.

Written documentation will be recorded by the staff conducting the drills. residentail Director will check logs monthly and monitor all drills quarterly to ensure they are performed according to PFCS policy.( see attachment included).

V 114	Continued From page 1  Review on 6/25/22 of the facility's fire/disaster drill book revealed: - No disaster drills documented since 11/2021-6/2022  Interview on 6/25/22 the Qualified Professional stated: - There had been some confusion with how many drills to complete. - The home schedule included first, second and third shifts - He will monitor drills documentation	V 114	V 512 - In the future Professional Family Care Services(PFCS) Director of Clinical Services, Residential Director will meet to address strategies to implement and deal with current and future incidents of client's rights - harm, abuse, and/or neglect.  PFCS conducted an immediate in service training to staff on client's rights and core competencies and adherence to company policies and procedures.	07/15/22 <u>Completion Date</u> Ongoing <u>Implementation Date:</u> 07/19/22 07/20/22 07/21/22
V 512	27D .0304 Client Rights - Harm, Abuse, Neglect  10A NCAC 27D .0304 PROTECTION FROM HARM, ABUSE, NEGLECT OR EXPLOITATION (a) Employees shall protect clients from harm, abuse, neglect and exploitation in accordance with G.S. 122C-66. (b) Employees shall not subject a client to any sort of abuse or neglect, as defined in 10A NCAC 27C .0102 of this Chapter. (c) Goods or services shall not be sold to or purchased from a client except through established governing body policy. (d) Employees shall use only that degree of force necessary to repel or secure a violent and aggressive client and which is permitted by governing body policy. The degree of force that is necessary depends upon the individual characteristics of the client (such as age, size and physical and mental health) and the degree of aggressiveness displayed by the client. Use of intervention procedures shall be compliance with Subchapter 10A NCAC 27E of this Chapter. (e) Any violation by an employee of Paragraphs (a) through (d) of this Rule shall be grounds for dismissal of the employee.	V 512	PFCS immediately removed all male staff from Susie Cir. PFCS will not assign a male to Susie Cir female client, unless there is an emergency (i.e. unexpected notice of staff not being able to work a shift, and another female staff is not available).  PFCS will implement a policy to reflect "no male staff" will transport female client without a female present, unless there is an unforeseen emergency. Director of Clinical Services, Residential Director will ensure all staff receive monthly supervision, to include reviewing and discussing client's service plan. All males were immediately taken off shift at the Susie Circle facility. No males will be on shift at the facility as long as it is a female home. No male staff will transport a female client without a female being present. Describe you plans to make sure the above happens. All staff will continue receiving monthly supervision including reviewing the clients service plans. Any incident reported will include an incident report being completed, and if needed an investigation will be conducted.</p> <p>Client #2 had diagnoses of Major Neurocognitive Disorder due to Traumatic Brain Injury, Mild Intellectual Disability, Unspecified Depressive Disorder with anxious Distress, Osteoporosis, Seizure Disorder. Client #2 needed supports with promiscuity and inappropriate boundaries with the opposite sex. Although, the House Manager/ Transportation Staff neglected to follow the precautions that put himself in a compromising position with client #2, where she made an allegation of rape. The QP had given the House Manager/Transportation Staff verbal supervision which included him not being alone with client #2 and not putting himself in a compromising position with her. The day program staff had advised the House Manager/Transportation Staff to be careful around client #2. However, despite the verbal and written plans in place the House Manager/Transportation Staff continued to go in client #2's bedroom and closed the door</p>	V 512
